Collects information for each LiveScan vendor approved to provide services by the Florida Department of Law as it is reported to us by the vendor. Many vendors have provided links to their websites. If you have questions or directly. The [Validation for Live Scan Vendor](#) form contains information necessary to ensure the screening results are sent to the Agency for review and eligibility determinations. The validation form is not required to be presented at the LiveScan location if the information is submitted as part of the vendor's preregistration process. The purpose of this form is solely to assure the necessary information is submitted with the fingerprint submission.
